Astronomy night successful

On behalf of the teaching and support staff sincere thanks to the science faculty for a fabulous astronomy night on Monday 17th November. A great school community event with children and adults exploring the night sky.

Award Day 2014
The annual Award Day will be on Wednesday 17th December 2014, starting at 10:00am. Parents and families of our students are invited to this event. We know this is a family occasion and for some parents they may take their child home after the event.

The school asks that a permission note is provided to the school before the 17th December 2014.

Student uniform
A reminder. There is an expectation that school uniform be worn by all students who are attending school. Should a student be unable to wear uniform then a note should be brought explaining the reasons.

Thank you.

Mr Y Chambers, Principal.

Music camp
On Friday 7th November through to Friday 14th November, I had the honour of representing Hay War Memorial High School on the Riverina Combined Schools Band Tour. It was a fantastic experience and I would definitely recommend it. We played 8 to 9 hours on Saturday and Sunday, then on Monday we started the tour and by Friday we had performed 12 concerts.

We performed the concerts at Wagga Wagga, Junee, Temora, Ariah Park, Young, Griffith, Leeton and Lockhart. We played many different styles of music such as jazz, march and classical. We also performed movie melodies such as Aladdin and the Sound of Music.

I made new friends and learned new things as well. It was a fantastic week and I would like to thank the school and Mr Browning for allowing me the opportunity to attend.

by Darcy Hedt

For so much what shall we repay?
Madison Dowling gains university entry
Congratulations to Madison Dowling who has gained unconditional entry to Charles Sturt University, Albury, to study a Bachelor of Business (Management). Madison successfully studied Legal Studies and Business Studies, two related courses when in senior school, which would have been favourable on her early entry application.

Scholarships for Year 12 Students who attend Hay War Memorial High School
The school is endowed with a number of scholarships that are available to Year 12 students at the completion of the HSC. They must attend Hay War Memorial High School to be eligible for them. Many are determined purely by ATAR results and results in specific subjects. To be eligible for the scholarships dependent upon the students ATAR results they need to supply to the school a copy of their ATAR notification by the end of February and a copy of their university offer letter. Schools are not given students ATARs only subject results.

The inaugural Auscott Scholarship will be given to one of our Year 12 students this year. This generous scholarship is $11,500 for each year at university. Applications for this scholarship are now closed for those in Year 12, 2014. Students must be going to attend fulltime tertiary study the year after finishing school. They need to complete an application form, attend an interview and provide Auscott a copy of the HSC results, ATAR and university course offer notification. Auscott determine the recipient of this scholarship.

The other scholarships value is dependent upon interest rates and the individual or organisation donating the scholarship. The value of the scholarships listed is based on last year’s value.

Lions Club of Hay Scholarship -$1000 - For a Year 12 student who is continuing onto tertiary education. Students apply directly to the Hay Lions Club.

Claughton Scholarship - $600 – Girl with the highest ATAR continuing to tertiary study.

Maclure Scholarship - $600 – Boy with the highest ATAR continuing to tertiary study.

Donald Ralph Martin Scholarship - Up to four scholarships worth $150 each – girl and boy with the highest mark for Standard English and Modern/Ancient History in their HSC.

Rexwell Poole Scholarships – 6 scholarships of up to $500 each, for the three girls and three boys with the highest ATARS.

The Reg Hedley Scholarships – these are applied for through the Westpac Bank in January. They are available each year a student is studying at university.

There are more scholarships which students in Years 9-11 may receive which assists them with the cost of education whilst at Hay War Memorial High School.
2015 Debutante Ball

Thank you to the three young ladies who have registered their names for the debutante ball, Saturday April 18th 2015 at the Hay Services Club. Unfortunately we need more names to be able to proceed with planning, so we urge anyone interested in making their debut in 2015 to contact the P&C. We have places for up to 13 couples.

This is a wonderful and exciting experience for the debutantes and their partners as well as being a fundraiser for the Hay War Memorial High School P&C. Last year’s donation from the Lions Club of Hay helped purchase the hot chocolate and slushy machines for the canteen which the students are thoroughly enjoying.

Debutantes must be age 16 or older at 18th April 2015. Partners should preferably be of school age, however partners up to 19 years of age will be allowed.

Dance lessons start 5:45pm Monday 2nd February 2015 and every Monday thereafter, including school holidays. It is compulsory that both debutantes and their partners attend these lessons. We thank Marilyn and Kevin Walter and Sue & Les Wall for their continued support.

If anyone is interested or would just like to make an enquiry please contact any of the P&C members below:
Rhonda Slattery 0427 932 140
Serena Wall 0437 391 808
Kerry Barnes 0427 933 405

The deb is a terrific gala evening enjoyed by all.
