Sorry Day Ceremony
This week started with the National Sorry Day ceremony at the front of the school. It was a moving occasion where staff and students shared knowledge about many Aboriginal/Torres Strait Islander people who were forcibly removed from their families. I wish to thank the staff and especially Rachael Hutchison and Emily Curtis for their poignant speeches.

Cyberbullying
I wish to remind everyone that bullying can happen anywhere: at school, at work, at home, on social networking sites such as Facebook, on mobile phones, in sporting teams or between neighbours. Bullying involves someone (or a group of people) with more power than you, repeatedly and intentionally using negative words and/or actions against you, which causes you distress and risks your wellbeing. Bullying has many faces and includes the use of emerging technologies.

If it’s cyberbullying save some evidence of cyberbullying behavior—it may need to be followed up by the school, internet service provider (ISP), mobile phone carrier or the police.

Talk to your family, if need be to your school and if you have serious concerns talk to the police. Say NO to bullying.

Hay chess team victorious

The Hay War Memorial High School Chess team travelled to Yanco Agricultural High School last Friday to compete in Round Two of the Riverina Chess Competition. They took on a well-practised and older team of two Year 12 and two Year 9 students in an intense series of matches. Tyron Morris was the first to capitulate on board four, he played well but was defeated by one of the year 9 students. Harley Curtis, Hay’s other Year 7 player, held his nerve and successfully defeated Yanco’s other Year 9 participant. In a surprise upset Peter Hedt dramatically won his game on the number two board against a Year 12 student and Harry McCrabb was involved in a long and intense tussle on the first board with the second of the Year 12 students, who eventually gained the ascendancy. With the scores at 2 wins each the NSW Junior Chess League ruling is to discount the 4th board result so that meant Hay was officially declared the winner of the match – 2 to 1. Congratulations to all four players, and to reserve Emerson Hedt who played many games against the Yanco reserves, for representing our school so politely, professionally and successfully at Yanco. The team’s next game will be a home game against Finley HS to be played at a date to be determined before the end of this term.

National Sorry Day written by Rachael Hutchison

On Monday 26th May Hay War Memorial High School held a ceremony to commemorate National Sorry Day. National Sorry Day is an annual event that has been held in Australia on 26 May, since 1998, to remember and commemorate the mistreatment of the continent’s indigenous population. The Australian government’s most controversial policies resulted in an entire “Stolen Generation”. Stolen Generation is the term we use for the time when the Aboriginal people were forcibly removed from their families as children between the 1880s and the 1970s, to be brought up by white foster families or in institutions, many of whom never returned home.

The ceremony was chaired by Principal, Mr Yvan Chambers. Mr John Breen made a speech sharing the background of Sorry Day, when it started, how it all started and why it is so important that we still commemorate it today. After Mr Breen finished speaking, two of our indigenous students, Rachael Hutchison and Emily Curtis, spoke about how it is important to acknowledge what happened to our people and why it is so important to them and their culture. Once the speeches were finished the flag was raised to half-mast.

Open Days for Canberra/ACT Institutions
Canberra University, ANU (Australian National University), CIT (Canberra Institute of Technology), ACU-Canberra (Australian Catholic University), and ADFA’s (Australian Defence Forces Academy) Open Days are all held on the same day Saturday, 30th August from 9am until 4pm. This allows easy access and comparison between the different higher education institutions in Canberra on the one day. All these institutions have on-campus accommodation as it is very important for our students to have a safe, supportive and comfortable accommodation whilst studying. Each of these institutions offer courses unique to their campus plus courses available at a variety of institutions within Canberra as well as beyond. CIT offers TAFE level certificates and diplomas. An open day is a fantastic opportunity for prospective students to get a feel for the university or institute lifestyle as well as ask any specific questions of staff.

CSU My Day Open Days
Two more CSU My Day Open Days are coming up soon for specific courses which are available at the Bathurst campus. Any student who is considering studying one of these courses and CSU is an option should attend. Attendance will support an early entry application and students can ask pertinent questions to key staff in the areas they are considering studying. These events are targeted at small groups of Year 11 and Year 12 students and students need to either go on the CSU web site to apply or see Ms McNally for an application form and further information.
