Fun in the art room

Uniform
With winter on our doorstep, the days are much cooler. It’s been great to see the students wearing the correct school uniform. Well done!

Studying for exams
As our HSC students work on their assessment tasks and start study preparations for future examinations, don’t forget students recall 94% of what they do.

A range of study techniques are essential. For example: study with others, use memory games, study in short blocks, role play, use flashcards. Don’t forget to include the listening and/or visual study techniques as well.

Listening – reciting information aloud, using recording devices to repeat your notes. Visual - copying your notes, colour coding key words and notes, underlining notes using highlighters.

The main “thing” is that our HSC students experiment with the various study techniques. The end result will be that our students are “studying”.

Senior subject selection
Before the school holidays the 2015 Senior Subject Selection booklet will be issued and discussed with the Years 10 and 11 students. This will provide students and parents a lot of time to look over the proposed subjects.

To follow on from this, on Wednesday 22nd July the “2015 Senior Subject Evening” for parents and students

2015 Senior Subject Information Evening
Tuesday 22nd July 2014
7:00pm to 8:30pm
for
Years 10 and 11 students
Parents and students are encouraged to attend.
A light supper will be provided.

Book Week 2014
Shortlisted Title
The Sky So Heavy
Author: Claire Korn
Summary: Fin has a seemingly normal day at school not knowing that on the other side of the world nuclear missiles are being detonated. When he wakes up the next morning, it’s dark, bitterly cold and snow is falling. There is no internet, no TV, no power and no parents. Fin and his younger brother Max must find a way to survive... all on their own.
currently in Years 10 and 11 will be held. This will be held in the Spirit of Anzac Centre from 7:00pm to 8:30pm. The evening will go over requirements for the award of a record of school achievement, the higher school certificate, the compressed curriculum undertaken by the students and what subjects the school will be offering for 2015 (including the 2016 subjects).

Parents and students will have the opportunity to talk to head teachers, teachers and the careers adviser regarding specific subjects as well as requirements for further education beyond school. This will be a great opportunity to find out about subjects in the senior years at Hay War Memorial High School and I hope to see lots of parents and students on the night.

Mr Y Chambers, Principal.
