Hay War Memorial High School recently hosted the Fundamental Movement Skills Workshop for Early Childhood and Primary School Educators.

The workshop was run by the Murrumbidgee Local Health District.

We thank the educators and the organisers for enabling us to showcase our facilities. We also thank the organisers for their kind and positive comments at the end of the workshop about the Hay War Memorial High School staff. The organisers spoke with staff during the day when setting up their workshop. “Approachable”, “cooperative team”, “helpful” and "positive feeling in the school" were among the comments.

It's always a pleasure to hear positive feedback and comments.

Mr Y Chambers, Principal.

Private Consultations: What is going on with this child?
Some issues that affect learning, social and emotional development are clearly identifiable. Other children and young people make parents and teachers scratch their heads and wonder “What is going on with this child?”

Kate Keetley is a Brain Gym consultant and Educational Kinesiologist. She will be running BrainGym workshops with staff in Hay schools on 2nd September.

Kate also provides a movement and

Hay High 10 Cards
All Hay High Ten cards and monies should have been returned to school. The assembly will take place 12pm this Friday.

Sport report
Congratulations to Kynan Headon who has been a late selection to the Riverina athletics team. Kynan could not compete (due to injury) in Albury and had to submit his zone performance times/jumps. He will compete in 100m, 200m and long jump at the state carnival in early September.

When school is a long way from home
Now you can apply online for the Private Vehicle Conveyance (PVC) subsidy. To apply online and see full terms and conditions visit transport.nsw.gov.au/pvc or if you can’t get online you can call 1800 010123.
learning assessment with a written report for individual children/young people.

Consultations take 45 minutes – 1 hour. Initial consultations including an assessment of appropriate learning and movement patterns with a home program, costs $110.

If you are interested in booking an appointment for a consultation for your child, or would like to find out more information, please contact Kate Keetley directly on 0417132254 or via email livingmadeeasy@bigpond.com

**Student welfare**

At Hay War Memorial High School we have a number of teachers who undertake various roles to assist students.

The Student Welfare Team has a mission to remove barriers to education for students.

The team is led by Mrs Madan (Student Welfare Coordinator) with the assistance of the Year Advisors:

- **Year 7** - Miss Britt
- **Year 8** - Ms Bowen
- **Year 9** - Mr Caughey
- **Year 10** - Mrs Jackson
- **Year 11** - Mrs Porter
- **Year 12** - Mr Breen

The 2015 Year 7 Advisor will be Mrs Hayward.

If students are experiencing barriers to their education they need to talk with their Year Advisor. Our School Counsellor in Training is Mr Sciffer who is also available one day a week.

If parents would like to speak with the coordinator, the child's Year Advisor or School Counsellor please make an appointment at the front office during school hours.

**Paint Hay REaD**

Today, volunteers from the SRC attended the launch of Hay Shire Council’s “Paint Hay REaD” community project which aims to encourage children to start reading by picking up a book from a very young age and read. Red boxes containing pre-loved books which have been donated by members of the community will be placed in shops, cafeterias and waiting rooms around town to promote reading in Hay. Students from child care centres, preschools, public and Catholic schools, along with the students from Hay War Memorial High School were introduced to the “Paint Hay REaD” mascot, Paddy the Possum and were treated to a sing-a-long. This was followed by a barbecue lunch to celebrate the launch of this valuable community project. Our students expressed encouraging thoughts of a community project such as this and demonstrated their support by assisting Hay Shire Council staff to serve lunch and drinks to the younger students and community members.

**Lamington fundraising**

Thank you to the Year 12 students who helped make lamingtons last Friday evening and those who then backed up with an early start Saturday morning to hand out orders and sell cakes and donuts. Their responsible approach and cooperative behavior was much appreciated and many compliments were received as to their maturity and conduct on Saturday. Thank you also to Mrs Toni Burns, Mrs Kerry Barnes, Mrs Rhonda Slattery, Mrs Pene Bolitho and Mr John Breen for coordinating the event and also to the parents who provided cakes on Saturday. The fundraiser was a great success.
Year 10 Work Experience

Many Year 10 students are to be congratulated on organising their work experience for Term 4 already. The week of compulsory work experience is Monday, 27th October to Friday, 31st October, Week 4, Term 4. The initial approach to the work experience host is to be done by the student and they need to bring Ms McNally the following information: the name of the contact person, business/organisation name, address and postal address if different. Students are able to complete work experience away from home but they need to have supervised accommodation such as with family or friends and parents need to get their child to the place of work experience.

Army Career Day and Defence Forces Work Experience

Army Logistic Training Centre (ALTC) Career Day will be on again later this year, on Saturday 15 November 2014 at Bandiana, Victoria. If any student is interested in attending they need to email Sgt Roger Derrick at cptalbury@dfr.com.au to reserve a place. Students need to be in year 10 or above. Parents will be responsible for taking their child to this event. Places are limited so students need to contact Sgt Derrick quickly.

The army does not offer work experience at Kapooka, Wagga Wagga on a regular basis. Any student interested in completing work experience in any of the Australian Defence Forces – Army, Air Force or Navy need to apply well in advance and complete a comprehensive application process. The places are always limited and parents are responsible for travel and accommodation AND supervising students out of hours. To find out about work experience opportunities search ‘Defence work experience’ or go to http://www.defence.gov.au/workexperience/ . The opportunities change regularly so students need to be looking at this site at least once a term.

PBL Launch Fun at Hay War Memorial High School

Hay War Memorial High School celebrated the launch of Positive Behaviour for Learning at a whole school assembly on Friday 1st August.

Performances by music students Jack Laracy, Peter Hedt and Lucy Tripney were enjoyed with year 7 drama students Erin Shalders, Maggie Biggs, Ellie Hicks, Emerson Griffiths and Caitlin Hayward providing entertaining and humorous scenarios of Respect, Responsible and Achieve.

The PBL super heroes, Captains Respect, Responsibility and Achieve aka Mr Caughey, Mr Menton and Miss Lee Chin made an appearance and provided additional comic relief. Students, staff and community members were in attendance to enjoy the festivities and recognise the efforts and achievements of teachers and students, both for their contributions to the assembly production and in the school community.

Following the assembly, students were treated to a barbeque lunch accompanied by the school band, with visitors invited to have light refreshments in the Spirit of Anzac Centre.

A fun afternoon was enjoyed by all with the day’s activities reflecting our school core values of Respect, Responsible and Achieve.
**Week 6**

- **Wednesday 20**  
  Yr 10 English excursion to Melbourne
