A fabulous evening with song, laughter and artistic skills. Our students who performed this evening were outstanding.

Our students who assisted to make the evening great were fantastic. Our teachers, Mr Browning, Miss Lee Chin, Mrs Harrison and Mr Tripney were fantastic.

A huge thanks to the staff who helped out serving, cleaning and organising those little things that helped our students succeed.

Thank you to everyone who attended the evening and donated a scrumptious supper.

Captains’ induction
The Captains’ induction is next week on Friday 12th September (10:00am) in the Spirit of Anzac Centre. The Captains of 1964 who sat their Leaving Certificate will be at the assembly: Alan McCormack (1960-64 captain) and Barbara Lugsdin (McQuade 1960-64; vice-captain). We will also have a group of about thirty ex-students ready to take on the challenge of the School War Cry.

Mobile phones
The school has a very clear direction about mobile phones which must be followed by all students.

Mobile phones cannot be used at school during lesson/teaching/class/assembly

P & C Meeting tonight @ 7.30pm
All welcome to attend

Year 7-10 Portrait Prize Winners at performance night
9/10 – Kayla Johnson (1st), Georgia Booth (2nd), Alanah Linton (3rd)
7/8 - Hannah Stewart (1st), Harley Curtis (2nd), Lily Tassell (3rd)

Wanted
Clean, empty jars, of any size, with or without lids for the Year 12 formal dinner. May be left at the front office or contact school if pickup required.
time (unless there is a particular classroom activity that requires their use). Failure to follow this direction will result in the teacher asking the student to put their phone in their bag or pocket (switched off). Failure to be responsible will result in the phone being confiscated for the rest of the day.

Students may bring mobile phones to school but they must be kept in student’s bags or pockets during lesson/teaching/class/assembly time. Students who bring phones to school do so at their own risk. The school accepts no responsibility for any damage or loss of any personal electronic device.

Mr Y. Chambers, Principal.

Black Dog Institute
Hay War Memorial High School has invited the Black Dog Institute to run a free sixty minute presentation about navigating teenage depression for parents, teachers and interested adults in the community. The presentation will be delivered by a trained presenter to cover:

- The pressures faced by teenagers today
- Signs and symptoms of depression in young people
- Identification of early warning signs
- When and where to seek help
- Practical strategies for offering support and communicating with a young person you are worried about
- Strategies for building resilience.

We are pleased to be supported by the Black Dog Institute along with Riverina Bluebell and the Rural Adversity Mental Health Program.

A light supper will be provided on the night.

The presentation will be held in the Spirit of ANZAC Centre on 10th September, 2014 at 6:30pm for 7:00pm start.

Riverina Chess – round five
Hay War Memorial High School has bowed out of the Riverina Chess competition after a very successful year, reaching the quarter finals. In an entertaining game against the talented Coleambally Central School team our players, Harry McCrabb, Peter Hedt, Harley Curtis and Emerson Hedt all played well but were out played on the day. They enjoyed the social doubles at the conclusion of the formal matches and thank Coleambally for hosting the match.

Anyone interested in the Western Riverina Junior Chess Tournament to be held in Griffith on Monday 22nd September (during the holidays) should contact the Coleambally coach, Mr Noel Maddern on 0428 887 626 to register. It is open to all under 18s and there are trophy prizes. The cost is $10 for the day or $15 for a family. (See flyer for more details).
CSU Visit
Andrew Connell from CSU visited the school on Tuesday to speak to Year 11 and 12 students interested in studying at university. He explained to the students what attending and living at university is like, how university is different to school and that to succeed at university students must be independent learners.

Andrew also focussed on one of the great advantages of CSU, is the practical and industry placements that all students are required to complete as part of their degree, thus giving their graduates industry experience in their chosen field of study. The students were all given an information book about CSU and the various courses that it offers and how students can use this to find out about course entry requirements, where the course can be studied and what careers the course can lead to.

Any students who may consider CSU or interested in university study should attend a CSU MY Day which is a day held throughout the year which is dedicated to a particular area of study e.g. Health Science, Business, Communications. Also CSU have “Open Day Every Day”, where your child will be given a personal tour of the university campus, by a current student studying the course your child is interested in.

Yoogali Engineering
This well established Griffith business is recruiting for an engineering (metals) apprentice. If any child is interested they need to ring Yoogali Engineering on 6964 3700. Before ringing it would be beneficial to become familiar with the business by looking at their web site which is http://www.yoogaliengineering.com.au/.

Fleming Partners – Accounting Program
Fleming Partners are seeking Year 12 students who wish to study accountancy. Students are encouraged to make contact with them if they have any questions, even if they are unsure about a career in accounting but want to think more about it. The program is an opportunity to achieve a university degree and relevant work experience in the profession while being paid. Fleming Partners does not expect participants to sign a contract. If your child is interested pleasing ring Fleming Partners in Deniliquin on (03) 5881 1377 for more information.

Do you use Blackle?
Blackle is an environmentally friendly search engine powered by Google.

As you know, Google has a white wallpaper and believe it or not, it uses more energy than black wallpaper. Blackle has been created by Google to ensure you have the option to use a search engine that allows you to research anything and everything. With its black wallpaper, it saves energy and helps our environment.

Our Year 7/8 agriculture class is raising awareness for this search engine. Until Tuesday, our whole class had never heard of this amazing site.

We thank Mr Honan for introducing this to us and we hope that we can ensure more people use this search engine. URL line: www.blackle.com
