Lily scores her first century

The open girls’ cricket team has started the 2015-2016 Marie Cornish Cricket knockout with a convincing win over a competitive Leeton High School side. The girls chose to bat first and created a very tough 267 run chase for Leeton.

Ruby Stewart and Ellie Hicks opened the batting and got Hay off to a strong start before Ellie was run out on 9. Heidi Stephens made 9 with the bat and then Lily Tassell came in and batted through the innings. She was seeing the ball extremely well and of the 116 not out she scored, she hit fourteen 4’s. Ruby scored the 2nd highest score with 34 before being caught. Hannah made a quick entrance and just as quick exit with a bouncy, slow golden duck. Samantha Hutchison made a few handy singles before being dismissed by a ball on the stumps. Gemma Tassell came in and played a very supportive role allowing her sister Lily to demonstrate her recent form and slowly increase the run tally.

The forty overs were bowled with a final run chase of 5/267.

The Hay girls went into the field with a very broad range of skills. Some students were very new to the game but with a large run chase they were happy to give everyone a bowl.

Lily Tassell opened the bowling and had Leeton shaking from the beginning. Best stats were Mikaela Hurst with 3/9, Ruby Stewart with 2/8.

Hannah Stewart kept Leeton on their back foot with a very good first over. Mikaela Hurst took her first wicket when Leeton was on 14 and then Lily Tassell took care of the final wicket to claim the clean sweep. Best stats were Mikaela Hurst with 3/9, Ruby Stewart with 2/8.
toes in her first game as wicket keeper taking 3 wickets. (1 caught behind and 2 stumping’s). Leeton finished with 75. The next game will be played this term. Details to come.

**CHS Cricket**

Ellie Hicks and Lily Tassell represented the Riverina last week at the State Carnival. Both girls enjoyed the experience and are continuing to improve their cricket skills under the guidance of David Davies.

As a result of the carnival Lily was selected in the State Under 15 cricket team which will play in Tasmania during November. Congratulations Lily on this great achievement.

**Girls Tackle League**

On Tuesday, eighteen girls and Noah Hey travelled with Ms Booth to Goolgowi to participate in a tackle league day. Before the games, we were shown how to tackle safely and practiced tackling in small groups under the guidance of the NRL development officers.

We then combined with Hillston to play two games against Marian College from Griffith.

The Year 7/8 games were very even with a draw first but then a win to Hay by two points in the second.

All girls played well but Emily Headon was the best all rounder with great tackling skills and having the speed in attack. Hannah Stewart was consistent and her recent collarbone injury did not stop her defensive effort.

It was good for Reagan, Jamilah and Caitlyn to have the opportunity to revisit their junior rugby league background.

Grace and Charly demonstrated resilience by constantly running the ball up and Ellie, Erin and Gemma were active in both attack and defence throughout the games.

The Year 9/10 games were also very close but the agility and ball skills of the Hay/Hillston team gave the girls the winning edge over a much bigger team. The league tag girls, Jessie, Ebony, Lauren and Sam dazzled the opposition with their attacking moves. Lily and Ruby did not stop in their tackling efforts and enjoyed the physical contact. Chloe-Jane and Liz were supportive in both attack defense.

A 100m sprint was held on the day and Lauren, Ebony, Emily and Jamilah all won prizes.

Thank you to Noah who helped with coaching and assisted on the day and also Mr Clarke who provided great tackling advice.

---

**Student survey**

This term our students have undertaken the online, “Tell Them From Me” student survey and currently the Student Representative Council are having a “SRC Summit” to provide the school with an insight into student engagement, the student discipline policy and wellbeing and effective teaching practices at our school from the perspective of the students.

Parents also have an opportunity to provide the school with their insight about the school such as student engagement, school reports, student discipline, student welfare, effective teacher practices and homework by undertaking the “Tell Them From Me” parent survey. The survey is accessible on the schools Facebook page – just click onto the survey and the URL that has been mentioned in past newsletters. The survey closes this Friday 23rd October.

Over the coming newsletters, P & C, SRC and School Council meetings, the school will be engaging and sharing with the school community about a variety of school matters such as student discipline, transition/welfare programs.

*Mr Y Chambers, Principal.*
For so much what shall we repay?

2015 Awards Day
The school’s annual Awards Assembly will be held at 10am on Wednesday, 16th December, in the Spirit of ANZAC Centre. All students are expected to attend in full school uniform. Parents, grandparents and friends of the school are invited also. Students will not be told if they are receiving an award or scholarship. Some students will be choosing book prizes they will get at the assembly but there are many awards and scholarships that are announced at the assembly. Students, who do not attend, without formally apologising before Awards Day, will NOT receive their award or scholarship.

Jason Hunt, Commander, Royal Australian Navy, will be presenting the Long Tan Leadership Awards from the Australian Defence Forces and the occasional address. Commander Hunt is from Deniliquin and has been in the Navy for 26 years. He is an Executive Officer on the HMAS Canberra, the Australian Navy’s flagship, which is an Amphibious Assault Ship otherwise known as a Landing Helicopter Dock (LHD).

Year 10 Work Experience
Next week all Year 10 will be undertaking work experience. They are to be congratulated for organising their placements early. They have been undertaking a series of preparation lessons so they are ready for work experience. Many students have organised work experience out of town to gain experience not possible in Hay. We thank the local businesses and government organisations for their continued support of the school by hosting students from our school.

AUSCOTT Scholarship Reminder
Year 12 students who intend to undertake tertiary study in 2016 are reminded that applications for the Auscott Scholarship close on Friday, 13th November. This is a very generous scholarship valued at $11, 500 for each year of study and the Murrumbidgee Valley Scholarship will be awarded to a student from Hay War Memorial High School. Applications need to be posted to Auscott in Hay or delivered to their Hay office at the gin complex. The application form and information about the scholarship were given out by Ms Schiller last term. If students need an application form and the information they are available from Ms McNally.

B&D Engineering apprenticeship
B&D Engineering offers a range of services, from fitting and machining, welding fabrication, industrial retail and hydraulics. They take on work experience students when they can with a view of further employment for talented people. They are currently looking for apprentice fitter machinists and welders. Good maths is important because this type of industry is based around measurement. Fitting and machining involves making up parts for machines as well as pulling apart and repairing things like pumps, gearboxes, hydraulic cylinders, hubs, etc. If interested students and parents should browse their web site including the photo gallery (www.bdeng.com.au). Mr Dean Bordignon, the Managing Director is happy to show any interested students around the business and to talk to them about the apprenticeship. B&D Engineering is located at 13 Lasscock Rd, Griffith. Ph 6962 5904. Any students who are interested can also speak to Ms McNally.

P & C News
A productive and well attended meeting was held last Thursday. The earlier start time of 5:30pm seems to be a winner. A donation was made to the school and a new style of sports shirt was discussed. Thank you to everyone for their input.

One place still remains open for a debutante with plans now underway for the 2016 event.
Our next meeting is Thursday 5th November, 5:30pm, Staff Common Room. All welcome!

A reminder to parents to notify the school about your child’s health

We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Term 4, 2015

Week 4

- Year 8 Melbourne excursion

Week 5

- Yr 6 Transition
- Performance night 6:30pm - 8:30pm
- Year meetings

15’s Girls Netball

The Hay War Memorial High School U16’s Girl’s netball team travelled to Wagga Wagga on Wednesday 21st October.

The girls played 5 very competitive games and finished the day with 2 wins and 3 losses.

We narrowly missed out on beating Wagga High in a nail biting comeback 14 - 13. Best on ground was Lily Tassell and Katie Arandt.

In the second game, we played Tumut High School. They had a very strong attacking side and beat us 11 - 5. Best on ground was Ellie Hicks and Emily Headon.

In the third game, we played extremely well against Cootamundra and beat them convincingly 15 - 3.

We lined up against a fiery Yanco Ag College in our 4th game. We were down in the first half but managed a brilliant fight back in the 2nd half to win 15 – 7. All of the girls played extremely well, most notably Chloe Leetham, Erin Shalders, Caitlin Hayward and Molly Christensen with her accurate goal shooting.

Going into the last game we knew Finley was going to be a tough game as they were undefeated thus far. Hay played extremely well but couldn’t get over the line against a taller, more experienced team. Hay went down 16 - 8. This was the closest game Finley played.

A special thanks to Ellie Hicks for umpiring the last few games instead of playing, to all of the girls for making it a really fun day and to Mrs Carroll and Mrs Hayward for driving the bus and supporting us in the pouring rain.

For so much what shall we repay?
