Remembrance Day

Remembrance Day is to remember those who died or suffered for Australia’s cause in all wars and armed conflicts.

Our students and staff attended two services yesterday. I’d like to acknowledge our school captains, Georgia Booth, Lachlan Oataway, vice captains Trey Martin and Luke Arandt who laid wreaths on behalf of our school and Legacy at the Hay RSL Cenotaph.

At the same time at school, our students and staff held a Remembrance Day service and laid a wreath.

Sara Aldred (pictured right) our school vice captain was an apology for the service as she was being presented a Victor Chang Cardiac Research Institute Science Award at Junee High School along with a number of other Year 11 science students from other Riverina high schools. Congratulations Sara.

Higher School Certificate

The Higher School Certificate has concluded for another year and the Year 12 students now have wait for their results in December. The examinations all ran smoothly with the supervisors organised by Mrs Mischelle Schiller. I wish all the best to our Year 12 students for the future and I hope your results get you to where you want to go whether it be university, TAFE or into the workforce.

New academic year

The school has now transitioned into the 2016 academic year with all students moving up a year and starting new classes.

Remembering World War One

This week as we remember all service personnel on the armistice which finally brought a ceasefire for World War One in 1918, three Hay War Memorial High School students are preparing to explore the battlefields, sites and monuments of the First World War’s Western Front and Gallipoli campaigns.

Noah Hey, Mikayla Macartney and Keiran Pingiaro are pictured here with one of the Hay district’s World War One volunteers who died in 1916, aged nineteen: James Jacobs from Carrathool. The students will pay their respects at his grave in the Somme Valley, France in January when they will travel to the World War One battlefields and memorials at Gallipoli and in Belgium and France.

These three students will also lay a wreath on behalf of the Hay community and Hay War Memorial High School commemorating all the Hay soldiers lost during World War One. This will be at the very moving nightly service held under the famous Menin Gate in Ieper (Ypres), Belgium.

Other highlights of the European tour will include visits to key sites in Istanbul, Paris and Rome. Visits to the archaeological sites uncovered around Mount Vesuvius, Pompeii and Herculaneum, will provide fascinating insights into life there in 79 AD when the volcano erupted and covered these ancient Roman towns.

The students will be accompanied by a larger Hay group, including four Hay War Memorial High School staff, parents, grandparents and ex-students.
