Science show next week

A successful induction of the 2015 Student Representative Council was held last week. At the same assembly, students received a number of awards including sporting, Year Adviser and Principal’s Awards.

There has been some essential maintenance works undertaken this week. The upgrade of the lights in the computer room and improvements to the shade covered areas have been completed. Plans are well underway for the refurbishment of the kitchen in K Block and it looks like Term 3 will be the start date.

Don’t forget to come along to the Family Science Show Electricity and Lightning Thursday March 12, 2015 7.00 – 8.00 p.m. The Years 7 to 10 students will also get an opportunity to view the show during the school day.

Absence
Student absence must be explained by a note, given to the front office, as soon as possible after the absence.

Partial absence for appointments must also be accompanied by a note, specifying the type of appointment and its duration. Generally, leave will not be granted for work or social reasons.

Uniform
Thanks to all students who continually come to school looking great in their school uniform. Don’t forget in practical classes, students are required by Department of Education and Communities regulations to have enclosed shoes as a matter of Work Health and Safety. Students who cannot meet this requirement will not be involved in practical classes.

Mr Y Chambers, Principal.
For so much what shall we repay?

Zone Swimming Carnival
Students travelled to Deniliquin for the Zone Swimming Carnival on Tuesday 24th February. The competition was tough and the students swam well.

Ten students have qualified for the Riverina Carnival which is being held in Leeton on the 6th March.

- 3rd in 50m freestyle in 39.07

Congratulations to all competitors on the day and we wish the students heading to Riverina all the best.

Snow Excursion
Thank you for the expression of interest for the snow excursion in Term 3 from the 26th to 29th July.

The excursion will go ahead as planned and a more detailed information note with suggested payment plan will be sent home early Term 2.

When kids are bullied
We send our kids off to school each day to learn. In between lessons they go outside to play – but the learning doesn’t stop. The playground can help prepare them for some of the social challenges they will face throughout their lifetime.
