Ag Plot update
The start of 2015 has been very busy at the Ag plot. We have received a Sussex chook with five chickens from the Wilson family, a donation of hay from the Stephens family and the culling of several old and non stud sheep from our Aberline Dorper and White Dorper stud.

The culling process allows the stud to look at the genetic lines and the qualities of each ewe to determine the breeding value of them for the future.

The ewes that are not needed by the stud are sold through Mr Tony Coffey at the Griffith Saleyards. We generally receive good prices and the commission that Mr Coffey normally charges is donated back to the school by him.

Nine of our best stud ewes will be heading to Andrea Van Niekerks for joining to some of the best rams in

Australia. This will allow the school to access genetics that would not be possible for the school without the support of Andrea, her family, Dell Dorpers, and African and Dumisa White Dorpers.

We will be taking possession of Merino wethers shortly in preparation for the School Wether Challenge held in Dubbo on Tuesday the 25th and Wednesday the 26th of August. This competition will be attended by students wishing to participate from Years 9 and 10. You do not need to be doing Agriculture to take part in this excursion but you will need to do training.

I would like to thank all the people and businesses that support the school Ag plot. Without you we would not have such a good educational facility. 

Mr James Caughey.

Regional Swimming Carnival

The Regional Swimming Carnival was held last Friday with the following nine swimmers from Hay War Memorial High School qualifying to compete: Jamilah Pynor, Emily Headon, Jack Gibson, Monte Barnes, Caitlin Hayward, Hannah Stewart, Belle Barnes, Brooke Arandt and Lachlan Oatway. All students swam extremely well in a very competitive pool on the day with some good times achieved. Well done to everyone.

Congratulations to Brooke Arandt who has qualified to represent the Riverina swimming team at the Combined High Schools carnival at Homebush later this month in the 100m Backstroke and 100m Breaststroke events. Well done.

Girls League Tag win first round

The open girls league tag had a solid win against Coleambally on Tuesday evening. The first round of the inaugural small schools competition was played in Darlington Point after school.

The game started strongly with a near try by Ruby Stewart but Ruby was a tad short of the line. Five minutes later Jessie Carter scored with the try converted by Jodie Hicks. Speedy Lauren Mijok made a strong break up the centre to score the second try with the conversion unsuccessful. A few minutes later Heidi Stephens made a strong break and another try was scored under the goals. Jodie was lacking a bit of goal kicking practise and struggled with the conversion. The first half concluded with another try by Lauren and a successful conversion by Jodie to have Hay lead 20 – 0 going into the break.

Coleambally had a much better second half but the Hay girls were vigilant with their defence and managed to keep them scoreless. A great team effort saw the ball passed out to the wing to put Georgia Booth over the line. Jodie had a good excuse to miss this difficult sideline conversion.

The game concluded with a self converted try by Jodie to have the final score 30-0.

The girls all played well and are to be congratulated on their teamwork and sportsmanship. Well done to Hannah McGufficke (C), Ruby Stewart, Chloe Deacon, Jessie Carter, Ebony Crighton, Jodie Hicks, Sophie Stephens, Heidi Stephens, Georgia Booth, Chloe Gleeon, Lauren Mijo and Lily Tassell.

Thank you to the parent supporters who travelled to watch the girls and the open boys rugby league play.

Work placement underway for Primary Industries
Work Placement is currently underway for most of our senior Primary Industries students. Due to the nature of the industry, students are placed “near and far” and are engaged in a wide range of activities. Students must undertake a minimum of seventy hours industry placement to make them eligible for an award of the subject in their HSC.

We would like to thank the following employers for their support in the program and for so generously hosting our students: Mr Craig Anderson, Mr Shane McGufficke, Mr Kevin Duncan, Mr Doug Comb, Hay Shire Council, Mr Cameron Clark, Morrisons Shearing Services, Tony and Georgie Neill, Landmark Hay, Elders Wagga, FS Faulkiner and Sons (Mr Allen Doidge), Moses and Sons (Wool Brokers) Wagga, George Lawrence and Alanna Obst (Menindee).

P&C News

The P & C AGM was held Thursday 5th March, with the newly elected committee as follows:

President: Rhonda Slattery
Vice President: Position still open
Secretary: Serena Wall
Treasurer: Helen Jacka

Congratulations to all and thank you for your support. We were thrilled with the attendance of the meeting and welcomed several new members to our P & C. New members bring new ideas, a different perspective, fresh thoughts and we thank you for joining. As it was an AGM, followed by an ordinary meeting, it was a longer meeting and we appreciated everyone’s patience with formalities and understanding. Several topics were addressed and discussed, including school jumpers and uniform.

Please note that we will not be placing a jumper order. P & C encourage anyone looking to buy school jumpers to support Hay’s local business houses.

If anyone is interested in joining in our discussions please feel free to attend the next meeting, Thursday 7th May. 7.30pm, Staff Common Room. It’s a great way to keep in touch with everything that is happening at Hay War Memorial High School.
