Anzac exhibitions open

The Anzac Day services and march on Anzac Day saw a large contingent of our students, staff and ex-students participate. Thank you to the parents who had their children ready and punctual. The feedback from the community about our students, staff, school and Anzac exhibitions have been very positive.

A big thank you must go to Miss Lee Chin for her leadership of the ceramic mural and to Ms Longworth and Mrs Gardam for their leadership of the AFTER ANZAC display in the museum.

These two exhibitions have been a positive way to acknowledge the soldiers from Hay and the outlying district who fought during World War 1 and to remember all the men and women who have undertaken service for our nation.

Athletics carnival
This Wednesday saw a lovely day for our annual athletics carnival.

Congratulations to all the competitors. Everyone gave their best. It was wonderful to see the students setting a great example of participation in the whole school events. A huge thank you to all the staff, especially to Mrs Carroll and Miss Britt for their organisation.

Mr Y Chambers, Principal.
For so much what shall we repay?

**Canteen News**
