Last week nineteen students travelled to Holbrook for the Holbrook Sheep & Wool Fair to show our sheep, attend workshops and compete in judging competitions. The students attended workshops on judging Merino fleece, judging Merino sheep, judging meat sheep, showing sheep and sheep health. Our biggest achievements for the three days were Ace receiving ribbons in the interschools and open interbreed competitions as well as having a student in a final round of each of the judging competitions. Kelcey Anderson came 3rd Belle Barnes came 5th in the Senior Merino judging, Monte Barnes came 5th in the Novice Meat Sheep judging and Ebony Crighton came equal 3rd in the Merino fleece judging. Belle Barnes came 3rd in the Group Final Meat Sheep competition which makes her a reserve competitor for the Sydney Royal Easter Show in 2016. Most of the students attending had never attempted to compete in judging competitions before. With close to two hundred students competing in the competitions our students achieved very good results and should all be pleased with their efforts.

I received positive feedback from several people at the show about our students behaviour and manners, so thank you and well done.

Our next show is the National Dorper & White Dorper Show to be held at the Australian Sheep & Wool Show in Bendigo from Thursday 16th to Sunday 20th July, Week 1 Term 3.

Snow Excursion
Students should have received important notes re this excursion in meetings this week. Please return these ASAP as all data has to be entered onto a spread sheet before the end of term. Students will need to know their weight, height, shoe size and nominate their skiing/boarding preference. Remember all monies need to be finalised this term.

Hay High Ten
The date of the Hay High Ten has been changed to Wednesday 19th August.

Boys under 15 AFL
The boys travelled to Deniliquin to play Deniliquin and Corowa but were unfortunately beaten on the day by two well drilled teams. These two teams were in the State final last year so the Hay boys were certainly playing against high calibre teams. They tried hard and in the spirit of the game. Thanks to Mick Cattanach who helped with coaching on the day and Lloyd Schneider for driving the bus.
Hay War Memorial High School entered three teams in the 2015 Premier’s Debating Challenge and during term two we have competed in eight debates, making this a very busy term for the teams and coaches.

We were able to offer a Gala Debating Day to Wade High School at the end of May and this allowed us to compete four debates at Hay War Memorial High School on the one day in the Stage Four regional competition. It was a very busy day and we are extremely grateful to our wonderful, reliable, helpful and consistent local adjudicators, Mrs Markeeta Gibson and Mrs Fleur Cullenward who have so willingly made themselves available for our “home” debates.

The Year Nine team hosted Finley High School at home but travelled to Deniliquin in May and will travel to Barham next week for the third round.

Each team will have completed three debates in the initial regional competition by the end of term two, with Year Seven winning two of their three, Year Eight winning one and Year Nine also having one win and one debate still to undertake against Barham.

Members of the debating squads for each year are:

**Year Seven:** Katie Arandt, Gemma Tassell, Emily Headon, Mikaela Hurst and Katie Schiller.

**Year Eight:** Erin Shalders, Bethany-Ann Hurst, Maggie Biggs, Emerson Hedt, Caitlin Hayward and Emerson Griffiths

**Year Nine:** Keiran Pingiaro, Gemma Tassell, Eddie Jones, Mikayla Macartney and Brooke Higgins.

Both our local adjudicators have complimented our Hay War Memorial High School students on their development of confidence, effective method, team lines, well structured arguments and effective use of examples during this intense term of debating and provided great feedback for continuous improvement.

There is much talent in our school community and it has been a pleasure to work with these students over the term as they have developed their style and skills as accomplished debaters.

Mrs Gardam and Mrs Harrison – Debating coaches.

NSW School Liaison Police Officer Visit

Years 7 to 10 students were given the opportunity today to hear from Senior Constable Brooke Papasidero on the appropriate use of electronic devices. Inappropriate use can have far reaching consequences, including the possibility of having a permanent police record. This can impact on many areas of life, such as; employment, travel, even the possibility of never being allowed to work with children or attend events that involve children. The message is clear, use devices and social media wisely, what you put out there stays out there forever.

Trivia Night

A fantastic night was had by all last Friday evening at the Trivia Night for Jodie Hicks and Luke Arandt. Well over $4000 was raised which will go a long way in assisting them on their overseas cricket tours.

A big thank you to Miss Bowen, Ms Booth and Miss Hurst for their fabulous organisation, well crafted trivia questions and hard work on the night.

Thank you also to the staff, helpers, families and donors for their assistance leading up to and on the night, plus the donation of a large and variety of prizes.
