Captains visit Government House

Each year school captains and leaders are invited to visit the Parliament of New South Wales to participate in the Parliament’s Leadership Program.

The program begins at Parliament House, where Members of Parliament address students and share their experience as community leaders. During the program, students view proceedings, followed by a visit to Government House to meet His Excellency, the Governor.

Yesterday our school captain’s Peter Hedt and Sophie Stephens had the pleasure of meeting His Excellency General The Honourable David Hurley, Governor of New South Wales at Government House, Sydney where they enjoyed a formal morning tea.

Kate Hicks completes work placement with Riverina Local Lands Services

We would like to thank Suzie Holbery, Biosecurity Officer at the Local Land Services office for hosting Kate as a work placement student recently. Kate is pictured inspecting sheep at Griffith Sale Yards. Kate can now add this to the long list of rural experiences that she has enjoyed as a student of HWMHS as she looks to a future career in the agricultural sector.

Movie & Pizza

PBL end of Term 2 celebration

Spirit of ANZAC Centre

Start 1.30pm to end of P6

A slice or two of pizza will be given to every student before the movie starts.

PBL Reward Day

Term 2 PBL Reward Day is this Friday after lunch, with this term’s reward being a pizza and a movie. Students eligible to attend the end of term reward must have received at least two merit certificates for this term and not been on Step 2 or higher. Students currently on any step are unable to attend. Eligible students will have already received their invitation.

Congratulations to those students who have demonstrated whole school values of Respect, Responsible and Achieve and enjoy the positive reward for your efforts.

**Careers News with Ms Schiller**

**ASPIRE- Early Entry Program for university now open**

Year 12 have learnt about this opportunity through attending a presentation at school last month and through careers classes in recent weeks. Students can go online and start their preparation now. *Eligibility is based on community volunteering.* A sample application is also on the website for students to view. I suggest they spend some holiday time on preparing their application and then I can assist them with their application if required next term. Students should read the tab on *How to Apply* as this guides them through the process.

**Employment Opportunities at Hutcheon & Pearce**

Hutcheon & Pearce currently have a recruitment drive for apprentices and trainees to start work in 2016. Opportunities in Agricultural Machinery and Parts Sales exist for Year 11 and 12 school leavers in a variety of towns across the Riverina. Students need to submit a resume, application form and school reports by 14 August to be in the first round of the process. More information from Ms Schiller.

**Albury Wodonga Tertiary Tour – most successful outcomes**

The eighteen students who participated in the two day trip to CSU Albury Wodonga TAFE and La Trobe Wodonga had an enjoyable and successful experience. The wet weather on Thursday did not stop us from looking around the environmentally friendly CSU campus.

Some of the staff spoke to the group and CSU students shared their experiences with us, also showing us the accommodation options. It was then on to Wodonga TAFE which has impressive facilities for those students wanting a more vocational qualification. On Friday our students participated in La Trobe Experience Day, electing to participate in two workshops related to their interests. Morning tea, lunch and entertainment were added extras that made for a great day.

I would like to compliment this group of Year 10, 11 and 12 students on their responsible and respectful conduct during the two days; it was wonderful to accompany them. Thanks also to Mr Rose for helping to supervise and a special thanks to Mr Lloyd Schneider who volunteered to drive the school bus and willingly gave extra hours of his personal time to enable this excursion to occur.

---

**For so much what shall we repay?**
