Consultative decision making in schools
The Local Schools, Local Decision reform enables the school communities an increased input into local decision making to better meet the needs of our students.

But what does consultative decision making mean?
Groups in a school community have the opportunity to receive information, engage in discussion, put forward ideas, and have their views considered in making a final decision.

So who makes the final decision?
A principal of a school makes the final decision BUT prior to, and in making the final decision the principal will consider the views, ideas and suggestions from all appropriate groups in the school’s community. The decision will be made to best meet the needs of the students at the school.

P & C Meeting tonight
August 12
@ 7.30pm
Staff Common Room
All welcome to attend

Hay High Ten
There will be a special assembly tomorrow at 12pm to give prizes.

Students should have handed in their HH10 cards by now, if they are unable to find their card they need to fill in a Statutory declaration form. Those students who do not return their cards will not be able to attend the assembly. They will be supervised in a classroom for that period.
Student Welfare
At Hay War Memorial High School we have a number of teachers who undertake various roles to assist students. The Student Welfare Team has a mission to remove barriers to education for students.

The team is led by Mr Honan (Student Welfare and Learning Support Coordinator) with the assistance of the Year Advisors:

Year 7 – Mrs Hayward  
Year 10 - Mr Caughey
Year 8 – Mrs Carroll  
Year 11 – Ms McNally
Year 9 - Ms Bowen / Mrs Hutchings 
Year 12 - Mrs Porter

If students are experiencing barriers to their education they need to talk with their Year Advisor. Our School Counsellor is Mr Sciffer who is also available one day a week and our Learning Support Teacher is Mrs Millyard. If parents would like to speak with the coordinator, the child's Year Advisor, School Counsellor or Learning and Support Teacher please make an appointment at the front office during school hours.

Year 12 news
Year 12 students are expected to be in regular lessons until they finish regular classes this term. Next week in the newsletter I will update any “happenings” by our Yr 12 students for their farewell. At this time I would like to take the opportunity to thank Mrs Porter and Mr Clark for the work they have done with our Year 12 students.

Mr Y Chambers, Principal.

Hay War Memorial High School P & C needs you!
Parents who cringe at the very mention of the term ‘P & C’ probably have never been to a meeting. Come along to our September meeting tonight and find out what the P&C really does.

- Get the inside story on what’s really happening in the school (not the gossip).
- Meet other parents
- The principal is available to answer questions and teachers sometimes attend too.
- Have input in decision making that affects all students
- We don’t do cake stalls!
