Notes:
The START time is the times the examination starts, not the time you turn up.
Students need to be present 10 minutes before the start to sign on and be seated in the allocated seat.
You are expected to provide all equipment needed such as pens, pencil, ruler and Board approved calculator.
All equipment brought into the examination room is subject to inspection.
It is your responsibility to ensure all equipment is in good working order (this includes calculators). Equipment failure is not grounds for appeal.
Do NOT write your name on your exam paper. You must write your BOSTES number on your exam. This will be provided for you.
Know what you have to do for each examination – talk to your teachers now.
If there are any problems speak to Mrs Porter (Year 11) or Mr Breen (Year 12)
You must sign out of the school when leaving an exam and not returning to school for that day. You must sign in and out of school from your exam room. A note will be sent out next week so you can leave school when your exam is finished.
You may go to the library between exams.
Equipment Checklist for Examinations

Students may only take equipment listed below into the examination room:

No other equipment is allowed. Students are not permitted to borrow equipment during examinations.
